Squash SA would like to support and have our community support business owners and/or managers of the association. If you are a registered member of Squash SA, we invite you to become a Friend of Squash SA to promote your business through our website to over 1000 registered members.

**Squash SA is offering 3 levels of friendship:**

**Bronze:** Free listing on Squash SA website. Business name, type of business and contact details along with any deal offered.

**Silver:** Listing with logo, business name, type of business, contact details with any deal offered & Google map link - \$20.00 per year

**Gold:** Front Page of website listing under partners along with logo & listing on friend's page including business name, type of business, along with any deal offered and contact details & Google map link - \$100.00 per year.
